

Prayer of the Companions of the Cross to Christ Crucified

O Jesus Christ Crucified,
reigning now as the Risen Lord of all creation,
fill me anew with your Holy Spirit
and lead me by your Power and Wisdom.

I choose you this day as my Saviour and Lord.

I take up my cross and follow you,
uniting myself to your Passion and work of redemption.

I surrender myself completely to you
and give you full permission to do with me as you will.

I love you Jesus; use my life
to extend the triumph of your Cross.

Amen.
